Death of a Good Woman

Mrs. Lizzie V. Craven died at the hospital here Wednesday at one p. m. following a serious operation for tumor. It was more than a week ago that the operation was performed, which was successful and the patient getting along alright, when heart weakness developed and which was the direct cause of death.

Mrs. Craven was the daughter of Mr. and Mrs. David Welborn, living seven miles northwest on Route 2, Thomasville. She was the mother of Mrs. Bunyon Mendenhall of Southmont and Messrs. Avery and Fred Craven, the former being a student at Oak Ridge and the latter living at the Welborn homestead where mother and unmarried children made their home. Mrs. John Hayworth of High Point and John Welborn, living near the old home place, are sister and brother respectively.

Mrs. Craven was 45 years old last October. Just 18 years ago her husband was killed by a falling tree while cutting timber. He was buried at Abbott's Creek and here the wife and mother will rest, the funeral services being conducted tomorrow morning at 11 o'clock by Rev. A. D. Shelton of Welch Memorial church, this city, a former pastor of Mt. Pleasant M. P. church of which deceased was a faithful and consistent member.

The deceased was a most excellent woman and loved by all who knew her; the daughter of Mr. and Mrs. David Welborn, as good people as ever walked the earth and the editor and family feel a personal loss in her untimely end as we often visited the home of these estimable people.

May the Father of us all be very near the broken hearted father and mother, children, sister and brother and relatives in this, their saddest hour of affliction.

SUDDEN DEATH

Died Sunday afternoon at the home of her niece here Mrs. L. L. Cassall on Vail alley Mrs. W. F. Hall of Oakdale cotton mill section. Heart trouble is given as the cause. The funeral services were held from Center church in Randolph county Monday morning where interment was made.

In the death of Tom Pence the national democratic party loses its best fighter, the country an able man and North Carolina a true and loyal son. Peace to his ashes.

The city gives the people light on the finances. The monthly reports cost \$12.00 to do this. In the recent election \$78.00 was paid for the notice of election which the law requires shall be run four times.

Beloved Pastor Resigns

Rev. A. W. Claxon, pastor of the First Baptist church of this city since June 1914, tendered his resignation Sunday morning and asked it be accepted at once which was granted. Mr. Claxon will hold on till the last of June and during this time he is due a two-month's leave of absence if he desires it. Mr. Claxon has performed faithful service for this church which has substantially increased in membership. Big improvements have also been made on the church. Dr. Claxon came here from Kansas and it is probable he will return to the west. Sorry to lose such a good man.

NATIVE TAR HEEL HERE

After the sermon the ceremony of depositing the archives of the church was carried out in front of the building. A simple ceremony was carried out. Dr. Rowe announced the contents, the Doxology was sung, followed by a short prayer by Dr. Kilgo.

CHURCH HISTORY

An interesting meeting was held at night. Dr. Dred Peacock read "A brief sketch of the history of Methodism in High Point" and J. W. Harris, chairman of the Building Committee read a report of the work incident to building Wesley Memorial church. Both papers were intensely interesting to the Methodists assembled, showing the progress of the church from 1856 until the present time.

Act Within Time Limit

From time to time The Review presents exceptional offers to its readers, limited to a certain period, and the readers must take advantage of these offers during the specified time if they want them as they will be withdrawn at the time designated.

For instance with our last issue we withdrew the Phonograph offer yet four people came in after the time limit and wanted a Phonograph but of course we could not supply them. The same way about a clubbing offer several months ago. You must act within specified time if you want these extraordinary values. Of course as long as the offers run in the paper they hold good.

This week we are announcing another big special offer—the biggest thing yet but you must act within the time limit if you want it. See notice elsewhere.

A UNIQUE RECORD

Very Few Like It In Our Broad Republic

Home testimony for Doan's Kidney Pills, published in every locality, is of itself convincing evidence of merit. Confirmed testimony forms still stronger evidence. Years ago, a citizen of High Point gratefully acknowledged the benefit derived from Doan's Kidney Pills. The statement is now confirmed—the proof more convincing. Cases of this kind are plentiful in the work of Doan's Kidney Pills—the record is unique.

Mrs. R. B. Atkins, 500 Willowbrook St., High Point, says: "I regret that I did not use Doan's Kidney Pills sooner, as I would have been spared a great deal of suffering and expense. A few boxes of this medicine restored my kidneys to a normal condition and relieved the backache and headaches." (Statement given Jan. 16, 1911.)

OVER THREE YEARS LATER Mrs. Atkins added: "I am glad to confirm my former endorsement of Doan's Kidney Pills. I still have great faith in them."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Atkins has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.
